27th UNITED NATIONS ASSOCIATION FILM FESTIVAL (UNAFF)

OCTOBER 17-27, 2024 in Palo Alto, East Palo Alto, San Francisco and Stanford University. UNAFF celebrates the power of international documentary films dealing with human rights, the environment, refugees, famine, homelessness, racism, disease control, women's issues, children, universal education, war, and peace. This year's theme **SHARED HUMANITY** continues our devotion to human rights with an emphasis on our common destiny and issues fostering it, or standing in its way.
